ATTN: Clark Brooks

Dear Mr. Brooks:

Since 1983 Calvary of Albuquerque has had a long standing relationship with Brooks Communication. In the beginning, our need was simply for 6 phones which you readily installed. Since that time you have implemented 4 systems and we have increased our telephone usage to 120 telephones.

In all of this growth, whenever we have needed something done, your response to the need has been prompt. Your customer service has not only been knowledgeable in handling all our needs, but you managed to do so in a friendly manner.

We would like to say "Thank You" for a job well done. Keep up the great work.

Respectfully,

Curtis Bowman
Facility Manager
